Dear Sir/ Madam:

**Hong Kong Jockey Club Drug Info Centre**

To enhance public awareness of the drug problem, I am writing to cordially invite your organization to arrange group visit to the Hong Kong Jockey Club InfoCentre (DIC). You are also welcomed to use our facilities for organizing thematic exhibition or activities relevant to anti-drug education.

The Hong Kong Jockey Club Drug InfoCentre is an education and exhibition hall dedicated to drug prevention education. The Centre adopts an innovative approach with interactive elements in exhibits to disseminate drug-free messages. The two-storeyed exhibition hall comprises three core exhibition areas, Host, Agent and Environment on the lower floor and a library, an info café, a multi-purpose classroom, a thematic exhibition area and an interactive theatre on the mezzanine floor. Apart from these facilities, we also offer guided tour services and anti-drug education activities to group booking visitors. Our docents will guide visitors through the tours, watch a short interactive movie and deliver a brief talk on harms of drugs and methods of prevention. You may visit our website <http://www.nd.gov.hk/druginfocentre.htm> for details and the application form.

Drug prevention and education would not be a success without the support from our strategic partners in the community. We sincerely welcome your organization to use our Centre's services and work together to protect the youth against drug abuse. Enclosed please find the application form for group visit. Please feel free to contact us at 2867 2748 or 2867 2831 for booking and enquiries.

Yours sincerely,
